2 of 2 review helpful Not enough By M Antillon I got this book in hopes of preparing me virtually 100 for my exam _ It has most of the info needed and covers all the basics in a nice manner The practice problems are great However the

exam is more advanced than what is presented in this book and I ended up gathering questions online to practice for the exam because this alone didn t do it Good thing to have the A Fully Integrated Study System for OCA Exam 1Z0 051Prepare for the Oracle Certified Associate Oracle Database 11g SQL Fundamentals I exam with help from this exclusive Oracle Press guide In each chapter you ll find challenging exercises practice questions a two minute drill and a chapter summary to highlight what you ve learned This authoritative guide will help you pass the test and serve as your essential on the job reference About the Author John Watson OCP is a senior consultant with BLP management Consultants and taught for Oracle University in South Africa for four years He is the coauthor of Oracle Database 10g OCP Certific
