By Dr. Clifford A. Shaffer : Data Structures and Algorithm Analysis in Java, Third Edition (Dover Books on Computer Science) on the creation of efficient data structures and books dover categories computer science and algorithm analysis in java third edition by data structures and algorithm analysis in java third edition dover books on computer science by shaffer clifford a and a great selection of similar used new and Data Structures and Algorithm

Analysis in Java, Third Edition (Dover Books on Computer Science):

With its focus on creating efficient data structures and algorithms this comprehensive text helps readers understand how to select or design the tools that will best solve specific problems It uses Java as the programming language and is suitable for second year data structure courses and computer science courses in algorithm analysis Techniques for representing data are presented within the context of assessing costs and benefits promoting an understa
