By Glenn Johnson : Training Guide Programming in HTML5 with JavaScript and CSS3 (MCSD) (Microsoft Press Training Guide) direct from microsoft this exam ref is the official study guide for the new microsoft mcsd 70 486 developing aspnet mvc web applications certification exam it ive been taking on some microsoft certifications recently and my latest success is passing the 70 532 developing microsoft azure solutions exam; earning me the Training Guide Programming in HTML5 with JavaScript and CSS3 (MCSD) (Microsoft Press Training Guide):

2 of 2 review helpful Okay detailed book By Michel Eissa Well I bought this book as a preparation for the MCSD

exams It is a nice book but the author wrote a lot of redundant sentences in the exercises for example stating the same exact instruction on each exercise which doesn t make any sense Another thing with the book is the errata I found plenty of it e g page 128 129 in the sample code forgetting to declare the v Designed to help experienced programmers develop real world job role specific skills mdash this Training Guide focuses on creating applications with HTML5 JavaScript and CSS3 Build hands on expertise through a series of lessons exercises and suggested practices mdash and help maximize your performance on the job Provides in depth hands on training you take at your own pace Focuses on job role specific expertise for using HTML5 JavaScrip
