By Francois Garillot, Gerard Maas : Learning Spark Streaming: Best Practices for Scaling and Optimizing Apache Spark a compilation of oreilly medias free products ebooks online books webcast conference sessions tutorials and videos big data day la is the largest of its kind and completely free big data conference in southern california spearheaded by subash dsouza and organized and Learning Spark Streaming: Best Practices for Scaling and Optimizing Apache Spark:

To build analytics tools that provide faster insights knowing how to process data in real time is a must and moving

from batch processing to stream processing is absolutely required. Fortunately the Spark in memory framework platform for processing data has added an extension devoted to fault tolerant stream processing Spark Streaming. If you're familiar with Apache Spark and want to learn how to implement it for streaming jobs this practical book is a About the Author. Fran ccedil ois Garillot worked on Scala's type system in 2006 earned his PhD from the French Eacute cole Polytechnique in 2011 and worked at Typesafe after a brief stint in Internet advertising. He's worked on interactive interfaces t
