By David Gourley, Brian Totty, Marjorie Sayer, Anshu Aggarwal, Sailu Reddy : HTTP: The Definitive Guide (Definitive Guides) buy http the definitive guide the definitive guide definitive guides read 48 books reviews amazon marketos definitive guides are b2b marketing resources designed to keep marketers informed on topics like marketing automation lead nurturing and more HTTP: The Definitive Guide (Definitive Guides):

5 of 5 review helpful Highly recommended By Timmy_A The HTTP protocol is the backbone protocol of the World Wide Web If you need to understand it in all the details HTTP The Definitive Guide The Definitive Guide is the easiest way how to do it When I looked for a guide to HTTP the only cons of this book was its age Printed now 2015

13 years ago I hesitated if the book is up to date 13 years in IT is li Behind every web transaction lies the Hypertext Transfer Protocol HTTP the language of web browsers and servers of portals and search engines of e commerce and web services Understanding HTTP is essential for practically all web based programming design analysis and administration While the basics of HTTP are elegantly simple the protocol s advanced features are notoriously confusing because they knit together complex technologies and terminology from I think this book is an extremely useful very comprehensive and clearly written reference to all aspects of the internals of the Web going well beyond just the bare mechanics of HTTP Even where its huge detail does stop on a topic there are extensive and u
