By Angus Croll : If Hemingway Wrote JavaScript as ernest hemingway once wrote quot;paris is a moveable feastquot; heres how to explore the city of lights on his terms wikipedia before he was a big game hunter before he was a deep sea fisherman ernest hemingway was a craftsman who would rise very early in the morning and write his best If Hemingway Wrote JavaScript:

7 of 7 review helpful A delightful and whimsical intersection of JavaScript and classic prose By Jennifer Jean Schiffer As a proponent of creativity based learning in web developer education I think the intersection of literary knowledge and that of JavaScript is strong and extremely well done in this book The concept of viewing exercise solutions in the style of different writers not only shows readers that di What if William Shakespeare were asked to generate the Fibonacci series or Jane Austen had to write a factorial program In If Hemingway Wrote JavaScript author Angus Croll imagines short JavaScript programs as written by famous wordsmiths The result is a peculiar and charming combination of prose poetry and programming The best authors are those who obsess about language mdash and the same goes for JavaScript developers To master either craft About the Author Angus Croll is obsessed with JavaScript and literature in equal measure He works on Twitter s UI framework team where he co authored the Flight framework He writes the influential JavaScript JavaScript blog and speaks at conferences wor
