Artificial Intelligence is the most exciting technology of the century and Deep Learning is quite literally the brain behind the world's smartest Artificial Intelligence systems out there. Grokking Deep Learning is the perfect place to begin the deep learning journey. Rather than just learning the black box API of some library or framework, readers will actually understand how to build these algorithms completely from scratch. Purcha About the Author Andrew Trask is a PhD student at Oxford University funded by the Oxford DeepMind Graduate Scholarship, where he researches Deep Learning approaches with special emphasis on human language. Previously Andrew was a researcher and an
