Proceedings (Lecture Notes in Computer Science) Integer Programming and Combinatorial Optimization: 4th International IPCO Conference, Copenhagen, Denmark, May 29 - 31, 1995. Proceedings (Lecture Notes in Computer Science):

This volume constitutes the proceedings of the Fourth International Conference on Integer Programming and Combinatorial Optimization IPCO 95 held in Copenhagen in May 1995 under the sponsorship of the Mathematical Programming Society Integer programming and combinatorial optimization provide a fruitful theoretical and algorithmic basis for the solution of a number of optimization problems occurring in real world situations such as production planning and schedulin
